

Dear Friends and supporters of Moose Jaw Right to Life;

This year of COVID has had a devastating effect on the work of Moose Jaw Right To Life. Our normal educational and fund-raising activities including our annual banquet, our yearly garage sale, Sidewalk Days display, our Fall Walk for Life have all been eliminated because of the pandemic and there is no end in sight before we can resume our "normal" routine.

Fund raising has also been decimated because of these cuts. Thanks only to the generosity of donors in the past and the continued support of the Catholic Women's League and the Knights of Columbus do we have enough money in savings to temporarily weather the storm.

We will, however, hold our Life Chain along Main Street on Sunday, October 4th. We will meet at Church of God (next to Rexall) parking lot at 1:45. A great opportunity to remind one and all that Life is Precious!

On another note altogether we are looking for new leadership, someone with innovative ideas who can carry on the work and mission of Moose Jaw Right to Life. Please encourage anyone who you may think of that could help. We also need a treasurer, which would require only an hour or so a month to enter information into Quick Books.

We are always grateful to Amy who, despite the times, has continued to serve mothers and their babies with our clothing and supplies give away. Donations keep on coming in and there is an abundant variety at present. Please refer to Moose Jaw Right to Life facebook for more information.

A big thank you to JoAnn for managing Christmas cake sales. We have ordered a few extra cakes so if you haven't already reserved your cake, please call JoAnn at 306-693-8613. Small cakes (1 lb) are \$15 and large cakes (2.5lbs) are \$25.

Finally, but certainly not least of all, we need financial help to get us through these times. If you can be of assistance you can contribute through Canada Helps by going to our website (moosejawrighttolife.ca) and clicking on the Donate Now square on the left-hand side of the first page which allows you to use a credit card. You can also mail a cheque to Moose Jaw Right to Life. You may also be able to drop a cheque off at your church in our care. Please check with your church office.

It is with a great sense of humility for all those who serve and for all those who support us in thought and prayer and financial help that I remain

Yours sincerely

Jean Landry - President
